

Tri M Graphics Acquires Go2Wed.com

This acquisition fits well with Tri M Graphics theme to “Think Beyond Ink!”

OWATONNA, MN- January 7, 2010 - Tri M Graphics today announced the company’s acquisition of Go2Wed.com from Wedding and Event Directory, LLC, a Minnesota based premier online wedding and event directory.

“This acquisition is a great example of Tri M Graphics’ commitment to ‘Think Beyond Ink!’” said Michael Jensen, President of Tri M Graphics “We are committed to being innovative in our approach to the marketplace and the acquisition of Go2Wed will truly provide our team with a great way to do just that.”

Go2Wed.com is a leading online wedding & event directory. At present the site provides wedding resources in Minnesota, Wisconsin & Colorado. One of the features of this site that differentiates it from others is that it has local representatives in each region it serves, combining the value of personal relationships with the ease and reach of an on-line business. There are plans in place to expand the territories served, eventually reaching across the United States.

“I see huge potential and I am so excited in the opportunity we can now offer our current members, new members & brides” replied Jodi Gillard, Director of Member Account Reps for Go2Wed.com.

Go2Wed.com joins with Tri M Graphics and Studio Getaway as divisions of M&M Printing of Owatonna, Inc. Each of these organizations fit well together to help build relationships through innovation & integrity. M&M Printing of Owatonna, Inc. is a privately held company based in Owatonna, Minnesota – that was started in 1981 by Jon Jensen out of his garage. Currently it serves clients across the United States as well as internationally. More information can be found at www.go2wed.com or www.trimgraphics.com .
